## DESIGNATION OF PRINCIPAL/SUBSIDIARY CAMPAIGN COMMITTEES

A candidate may designate one political committee as his principal campaign committee. A candidate may also designate more political committees as his subsidiary committees. Further, a principal campaign committee may designate committees. Any designated committee must file a Statement of Organization and submit a \$100 filing fee. The use of subsidiary committees is entirely optional. If committees are used, this report must be filed no later than 10 days designation is made. If a committee is organized to support a single candidate and that candidate refuses to designate committee as his principal or subsidiary committee, he must file a statement, in writing, disowning the committee. Once disownment is filed, no funds may be exchanged between the candidate and the committee.
